❖ **The Enomatic system is a worldwide certified wine preservation system. It works by reducing the presence of oxygen and replacing it with inert gas. Oxidation is considerably slowed down and the character of the wine is maintained for a longer period. We believe everyone should be able to taste great wine! We are pleased to offer our Enomatic wines by the bottle, 3oz and 5oz pours.**

Wine Menu

At The Barrington Steakhouse and Oyster Bar we curate fine, approachable and collectible wine with a love for the world's great growing regions and culinary traditions. We have decades of experience delivering a thoughtful and passionate wine program. We hold regular staff training and encourage their participation in the development of our wine list. In doing so we have acquired the best wines available in our market. All of us at the Barrington feel especially close to our winemaking partners here in Nova Scotia and are proud to deliver their multiple award-winning wines from renowned publications such as "Decanter" and "Wine Spectator" alongside our unparalleled Atlantic Beef and Seafood.

'Mise en place' is a French culinary phrase, which means "putting in place" or "everything in its place." We believe we have delivered that very sentiment with the wine list we now present to you, our valued guest.

Please Enjoy,

Thomas Spooner – House Sommelier
